“For over 30 years, Intrax has been an official sponsor designated by the U.S. Department of State to administer the J-1 Exchange Visitor Visa program. Obtaining a J-1 visa is mandatory for all our participants going to the U.S. Intrax Canada is committed to helping students find job placements, providing a DS-2019 form and assisting with the J-1 visa application process to legally partake in these placements”

“Choose this program if you are ready to have a rewarding year caring for children and living with an American family”

Program Overview

Have you dreamed about spending a year in the U.S., living with an American family and gaining cross-cultural experience? Over 20 years, AuPairCare has successfully placed more than 40,000 au pairs with carefully screened American families.

To help you make the most of your time as an au pair in America, AuPairCare provides every au pair with numerous benefits and opportunities to study and travel, along with a great cultural experience.

For Whom?

Individuals who...

- enjoy caring for children
- want to gain valuable work experience
- look forward to meeting people from around the world
- dreamed about spending a year in the U.S. and living with an American family

Testimonial

“The relationship with my new family is really good. The kids love me a lot and I love them. ... My host parents are also so nice. They treat me like a daughter and I really feel like a family member. Sure,

we have our ups and downs and we have had conversations about misunderstandings and cultural differences, but that is normal because we are a family and we all care about each other.”
